The *Mining History Journal* is provided to all members of the Association. Membership is open to anyone interested in the history of mining and metallurgy. Information or applications for membership may be obtained from Robert Sorgenfrei, Mining History Association, Colorado School of Mines Library, 1400 Illinois Street, Golden, CO 80401; or at www.mininghistoryassociation.org. Annual dues are \$25 per calendar year. Members receive quarterly newsletters and the journal.

The journal welcomes manuscripts on any subject in mining and metallurgical history in any era or region. Manuscripts, books for review, announcements, inquiries regarding advertising or the purchase of back issues of the journal, and other correspondence related to the journal should be sent to Eric Clements, Mining History Journal, Department of History, MS2960, Southeast Missouri State University, Cape Girardeau, MO 63701, or eclements@semo.edu.

Manuscripts should be submitted typed, double-spaced, and with endnotes. The journal only accepts manuscripts on IBM compatible computer disks, with Microsoft WORD or WordPerfect formats required. A clean paper copy of the manuscript is requested along with the disk. All articles are required to follow the style formats specified in the *Chicago Manual of Style* (15th edition).

Illustrations should not be embedded in the article, but their locations should be indicated in the article text. Submit photos as originals or as separate files scanned in TIFF format at a minimum of 300dpi. Authors are responsible for obtaining copyright use permissions for all illustrations and for paying any associated fees.

Articles appearing in this journal are abstracted and indexed in HISTORICAL ABSTRACTS and AMERICA: HISTORY AND LIFE.
