

Mining History News

Quarterly Newsletter of the Mining History Association

Regrettably, publication of the 2015 summer, fall, and winter issues of the *Mining History News* was suspended due to the resignation of its Editor. A new Editor is being recruited and will be named soon. The *News* will resume with the spring 2016 issue containing the full details about the annual conference to be held in Telluride, Colorado, June 9-12, 2016.

Thank you for your understanding.
